

MARKETPLACE MINISTRY SURVEY FORM

The Market Place Ministry is an exciting new ministry opportunity being initiated in partnership with The Needle's Eye Ministries. This ministry is designed to equip us to take the Gospel into the work place where we spend most of our time during each week. In March of 2000, we will be having a seminar weekend dedicated to information and training of our parishioners as ministers in the market place. The first step in the process is to determine where we are during the week. This form is a type of census that will allow us to see where we are and begin to strategize how best to fulfill our call to take the Gospel into the world. We have duplicated this information form on both sides of the page, so that if there are two employed people in the family each can fill out a form. Thank you for your cooperation.
